Spring is in the Air!

We need your help in The Nest!

It’s that time of the year again! We need a little help getting ready for this years’ crops and flowers in the garden. Some of the classes will be growing seeds in their classrooms and others will come out later in the year to plant in the garden. Come be part of the fun and learning. The Garden Committee is looking for volunteers to help with the following projects:

1: Planting a small flower garden.

2: A plumber to run a water line for kids to wash their hands.

3: Digging a border at the edge of the vegetable garden for 2x6x10’s.

4: Touch up paint on the shed.

5: Plant two container gardens.

6: A landscaper that could give us large cut tree stumps for kids to use as stools.

7: Construction Contractor to build a small stage.

If you can help us with any of these items or just want to get dirty and have some fun, please email Yvonne at Yklebe@yahoo.com.
