

Pennsbury Dual Enrollment Agreement

A dual enrollment agreement has been formed between the Business, Computer & Information Technology Department of Pennsbury High School and Gwynedd-Mercy College. Pennsbury has now joined with many other school districts from across the state of Pennsylvania to offer students the opportunity to be enrolled in both a high school class and a college class simultaneously. This academic opportunity will be offered to students currently in 10th, 11th and 12th grade in elected courses for the academic year 2010-2011. More information can be found on the course listing page in the Program of Studies.

The courses being offered for dual enrollment are:

Accounting I (Grades 10, 11, & 12)

Accounting II (Grades 11 & 12)

Prerequisite: Accounting I

Microsoft Office Applications I (Grades 9, 10, 11 & 12)

Microsoft Office Applications II (Grades 10, 11 & 12)

Prerequisite: Microsoft Office Applications I

Sports & Entertainment Marketing (Grades 10, 11 & 12)

Interested students can contact their guidance counselor for further information.
